Bargara

Tight course which will challenge your accuracy on each hole. Our signature Hole 5 has the green protected by bunkers all around.

Bundaberg

Picturesque tree lined, wide and flat fairways, with ponds and waterways on many holes, leading to generous but challenging greens. Pleasant and frequent breezes will test club selection on most holes of the par 71 course.

Coral Cove

Home of the only Par 6 (635m) in Australia and a challenging Par 3 along the ocean front. This course will test the brave.

Hervey Bay

Long wide manicured fairways with enough strategically placed trees to make it interesting. The challenge hole is the par 4, 16th with the green undulating down to the lake.

Maryborough

The course takes advantage of the natural undulations and water courses. Challenge yourself on the 8th and 9th over the lake to the pin, and the long, narrow Par 3 on the 17th.
